LONG EXPECTED ADVANCE BY ALLIES BEGUN: 20,000 TEUTONS TAKEN

FRENCH AND BRITISH MAKE GREATER GAINS IN TWO DAYS THAN IN PRECEDING YEAR

SOUTH AMERICAN STUDENTS HERE

Great Gains Are Reported by All Allied Forces—Big Offensive Is Started.

TAKE 20,000 TEUTONS

Effect of General Advance Is Emphasized by Huge Victory of Russians.

London, Sept. 27.—In two days the French and British have gained greater victories than in the preceding 12 months in capturing since the battle of the Marne, 1914, up to 20,000 German prisoners in their ranks and capturing 1,000 guns, without counting machine guns, and with a tremendous breach in the German line the Allies apparently have their long-expected offensive movement well under way. The advance has been general and its effect is emphasized by the fact that on the western front a substantial gain for the Russians is recorded.

Petroueff states that the arms of General Lancon has won a striking victory over the Germans and Austrians in the southeastern theatre where 200,000 prisoners are said to have been taken.

The Russians also are taking a prominent part in the new offensive movement. Their official announcement reports the capture of a German post on the road back of the Tzess with the engagement continuing in all directions of submarine trenches.

It is believed in London that the success of the new offensive against the Germans, due to the lack of the necessity of making a choice between the two fronts, as was the case earlier in the war. Military writers point out that the Russians are now holding the Americans and Germans on a front of 20 miles, with the presence of nearly 200,000 strongly entrenched Germans held to prevent an advance in France. Thus they say, must increase the perplexities of the German general staff and result immediately in any plan which may have been formed for attacks in the south or southeast.

PIONEER SETTLER CALLED BY DEATH

Mrs. S. E. Donovan, Who Came to Henry County in 1855, Dies at Home of Daughter Here.

The death of Mrs. Sarah E. Donovan, who came to Henry County in 1855, occurred early last evening at the home of her daughter, Mrs. Ma. McCaffey, 42½ Twenty-fourth street, following a lingering illness of complications and infirmities of age. Although Mrs. Donovan had lived in Henry County for nearly 15 years, she had made her residence in Rock Island only a few months, coming here last May from Cheyenne, Wyo., to make her home with her daughter.

Yesterdays' version, cabled through London, contained no mention of the naval incident, nor of the capture of more than 5,000 French and British by the Germans in the land fighting, reported by wireless today, the censor evidently having eliminated the parts of the statement referring to these happenings.

Allied airmen have bombed Bruges, Belgium, apparently putting the city's gas works out of commission.

The tremendous struggle on the battle front in the west, begun Saturday with the new offensive movement by the entente allies, has resulted in further successes for them.

Paris reports today that additional German positions have been encircled in the Champagne district, where in their initial drives the French penetrated the German lines along a front of 15 miles to a depth reaching in places as much as two and a half miles.

All the gains made in the Artois section, where Souchez was captured, and other successes scored, have been maintained, the French war once declares.

On the eastern front the Russians seem to be holding their own at most points and doing even better in some sectors. Their resistance around Dvinsk is apparently stronger, while they are desperately battling with the Germans near Vilna and Smorgon.

Mrs. Donovan was a member of the Ladies of the G. A. R. at Cheyenne. She is survived by two daughters, Mrs. Ma. McCaffey of this city and Mrs. W. E. McAdie of New Orleans; one sister, Mrs. William Stearns, Orion, Ill.; one brother, Thomas W. Glenn, Massachusetts; 10 grandchildren and 12 great-grandchildren.

The remains will be sent to Brainerd tomorrow morning. Funeral services will be conducted at 10 o'clock at the home of her cousin, Charles Bush, 2007 James Edgar Wilson of the city, with interment in Green cemetery at Brainerd.

Marguerite Favar.

Memphis, Tenn., Sept. 27.—Mystery still surrounds the murder at this Benham flat in this city of Marguerite Favar, actress, and James C. Crowell, well known married business man of Greenwood, Miss. The skulls of both were fractured with a heavy hammer, their bodies partially burned in an effort to hide traces of the crime and Crowell's throat was also cut. Revenge, jealousy and robbery are the three motives advanced by the police.

Miss Favar was the divorced wife of Creighton, the famous Italian band master, and the widow of F. D. Tompkins, U. S. army officer who ended in Los Angeles some years ago.
